

## Australian Government

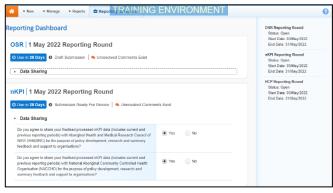

Review your OSR Submission (Submission Reviewer)

Department of Health and Aged Care

To review your health service's OSR submission in the Data Portal, as a *Submission Reviewer*.

- 1. Open the Data Portal through <u>Health Data</u> <u>Portal</u>.
- 2. Log in using the information provided in the *Registering for and Logging in to the Health Data Portal* QRG.

The Data Portal home screen will display with the Reporting Dashboard open.

Volume To be eligible for review, the submission's status will need to be *Submission Ready for Review*.

3. To open your OSR form, hover your mouse pointer to the right of the OSR reporting round text in the Reporting

Dashboard and select

If you need to change the *Title* or

*Description* of the submission or switch it to a *Trial Submission*, you can do so in the Data Asset

Details screen by selecting 🛄 next to 🕒 and then selecting *Open Data Asset.* 

The OSR form will display.

Any sections that still have data validation flags to be addressed will display a A on the corresponding tab. If a section has a data validation flag that has been responded to by your *Submission Uploader* or a new internal comment entered by your *Submission Uploader*, it will show a  $\bigcirc$  on the corresponding tab.

- 4. Review the values in each section and update them as needed.
- 5. To add a comment about any changes you have made to the values or asking the *Submission Uploader* to amend the values, hover your mouse pointer to the right of the applicable data validation flag title in

the **Notifications Tray**, and select **Notifications** recent comment.

If the *Notifications Tray* doesn't display,

select so you can address the data validation issues/read the comments that display.

- 6. Select in the **Reason** field that displays and select the reason you are adding a comment from the drop-down list.
- 7. Enter your comment in the **Additional Information** field.
- 8. To save the comment, select Save
- 9. Repeat this process for any other values in the form that need to be changed.

Your comment has been added and can be viewed by anyone accessing your OSR submission.

Use If you wish to add an internal comment explaining the changes you have made, select

+ New at the top of the *Notifications Tray*, and add the details.

10. To exit the OSR form and return to the Data Portal home screen, scroll to the

bottom of the form, and select < Close

The Data Portal home screen will again display with the Reporting Dashboard open.

- Before progressing your OSR submission through the submission workflow, answer either **Yes** or **No** to the data sharing consent questions that display under **Data Sharing** if the questions have not already been answered.
- 12. To save the changes, select Save
