

To approve your health service's nKPI submission in the Data Portal as a *Submission Approver*:

1. Open the Data Portal through [Health Data Portal](#).
2. Log in using the information provided in the [Register for and Log in to the Health Data Portal \(Indigenous Health\)](#) QRG.

The Data Portal home screen will display with the Reporting Dashboard open.

To be eligible for approval, your nKPI submission's status will need to be *Submission Ready for Approval*.

3. To open your nKPI form, hover your mouse pointer to the right of the **nKPI** reporting round text in the **Reporting Dashboard** and select

The nKPI form will display.

4. Review the values in your nKPI form, focussing on any indicators with a displaying on the corresponding tab, if there are any.

If any sections/indicators in the form contain a , you should send the nKPI submission back to your *Submission Uploader* and ask them to address the issue before returning the report to you for approval.

5. In the first section/indicator of the form displaying a , read the comment that has been left for you in the Notifications Tray.

If the Notifications Tray doesn't display, select in the top right-hand corner of the form to open it.

6. If the comment is just for your information or you're happy it has been addressed as needed through the data that has been added in the section, select at the top of the comment in the Notifications Tray.

7. In the Notifications window that displays, select **Save**.

The comment has now been removed from the nKPI form.

8. Repeat steps 4 to 7 as needed for each comment that has been left in the form by your *Submission Uploader/Reviewer*.

If you need to respond to one of the comments that has been left, select in the comment in the Notifications Tray. In the window that displays, select a *Reason*, and enter your response in the *Additional Information* field and select **Save**. Your response has now been added and can be addressed by your *Submission Uploader* as needed once you send the nKPI submission back to them for amendment.

9. To exit the nKPI form and return to the Data Portal home screen, scroll to the bottom of the form, and select **Close**.

The Data Portal home screen will again display with the Reporting Dashboard open.

10. Before progressing your submission through the submission workflow, answer either **Yes** or **No** to the data sharing consent questions that display under **Data Sharing** if they have not already been answered.

11. To save the changes, select **Save**.

12. To progress your nKPI submission through the submission workflow, select **Submission Ready For Approval**.

The Change Data Asset Status window will display.
