 Review the information in the IAHP PHC Performance Report form, focussing on any sections with a displaying on the corresponding tab, if there are any.

● If any sections in the form contain a ▲, which there really shouldn't be at this stage of the process, you should send the Performance Report back to your *Submission Uploader* and ask them to address the issue before returning the report to you for approval.

 In the first section of the form displaying a , read the comment that has been left for you in the Notifications Tray.

If the Notifications Tray doesn't display,

select 🛃 in the top right-hand corner of the form to open it.

- 7. In the Notifications window that displays, select Save

The comment has now been removed from the form.

8. Repeat steps **5** to **7** as needed for each comment that has been left in the form by your *Submission Uploader/Reviewer*.

If you need to respond to one of the comments that has been left, select \bigcirc in the comment in the *Notifications Tray*. In the window that displays, select a reason, and enter your response in the *Additional Information* field and

select Save. Your response has now been added and can be addressed by your *Submission Uploader* as needed once you send the Performance Report back to them.

 To exit your IAHP PHC Performance Report form and return to the Data Portal home screen, scroll to the bottom of the form, and select close

The Data Portal home screen will again display with the Reporting Dashboard open.

- 10. To approve your IAHP PHC Performance Report, select
 - Submission Ready For Approval.

The Change Data Asset Status dialog box will display.
